

Rapid Letter Naming 6-7 years (teacher use only)

Student Name _____ Date Tested _____ Year _____

Date of Birth _____ Age _____ Teacher _____

Instructions

Before the activity starts the student will see a practice demonstration. The teacher should press the GO button to start. The student must say the names of each letter going from left to right. After the last letter, the teacher should press STOP. Give the student encouragement. "Now you are ready to play the game. Name all the letters on each row as fast as you can. Do your very best. Start when I say GO".

Scoring

Strike through any errors on the sheet below.

At the end of the game enter the number of errors and your name on the screen.
