

Rapid Colour Naming (teacher use only)

Student Name _____ Date Tested _____ Year _____

Date of Birth _____ Age _____ Teacher _____

Instructions

Before the activity starts the student will see a practice demonstration. The teacher should press the GO button to start. The student must say the names of each colour going from left to right. After the last colour, the teacher should press STOP. Give the student encouragement. "Now you are ready to play the game. Name all the colours on each row as fast as you can. Do your very best. Start when I say GO".

Scoring

As the student plays, strike through any errors on the sheet below.

At the end of the game enter the number of errors and your name on the screen.

red blue green pink black green

pink yellow blue pink red yellow

black pink green yellow black blue

red green yellow pink blue red

pink red black green red yellow
